

RBI8433T

BAE 146 Wiring System Service Kit

PRODUCT DESCRIPTION

The RBI8433T kit contains all of the tooling to connector, contact and terminal cross reference information needed to support the BAE-146. In addition, the RBI8433T kit also contains illustrated operating instructions for the required tooling. Since all of these tools, together with their operating instructions, are contained in a single kit, the connector repair can be made in the shortest time possible, thus permitting a rapid return of your BAE-146 to service.
